

## **Suresh N. Borkar, IAP**

### **Executive Director (Projects)**

Former Executive Director (CNS-P & AS), Airports Authority of India

Electronics & Communication Engineer | M.E. (Electronics & Communication)

Email: snbrkr@rediffmail.com | Phone: +91 7042688644 | Location: New Delhi, India

### **Profile Summary**

Accomplished aviation executive with 34 years of distinguished service in the Airports Authority of India, leading large-scale CNS/ATM, airport systems, and Information Technology infrastructure modernization projects. Expert in Communication, Navigation & Surveillance systems, Air Navigation Services, and Airport Operations. Demonstrated excellence in project execution, financial planning, and policy alignment with 'Make in India' and 'Atmanirbhar Bharat' initiatives. Recognized for delivering record CAPEX, innovation in technology adoption, and winning Best Airport Awards for Jodhpur and Jaipur.

### **Core Competencies**

- Strategic Project & Program Management
- CNS/ATM/IT Planning & Implementation
- Procurement & Contract Management
- Financial & CAPEX Planning
- Regulatory Compliance (ICAO, DGCA)
- Stakeholder Engagement & Leadership
- Airport & Air Navigation Operations
- 'Make in India' Initiative Implementation

### **Professional Experience**

- **Executive Director – CNS Planning & Airport Systems** | Airports Authority of India, New Delhi | 2022 – 2024

Led the procurement and SITC of major CNS/ATM and airport systems projects worth ₹1800+ Cr. Delivered record-breaking CAPEX performance (₹801.99 Cr in FY 2023-24 –

highest ever). Implemented A-SMGCS, VCCS, and ATM Automation systems at major airports; introduced domestic tenders aligning with 'Make in India'.

- **Executive Director – PMQA, Corporate Affairs & Administration** | Airports Authority of India, New Delhi | 2021 – 2022

Handled corporate governance, project monitoring, and liaison with Government of India. Successfully managed parliamentary coordination, AAI Board meetings, and publication of the Annual Report.

- **Executive Director – Vigilance** | Airports Authority of India, New Delhi | 2019 – 2021

Achieved record vigilance recoveries (₹18.59 Cr), conducted 42 preventive vigilance workshops, and operationalized the Online Vigilance Clearance System, improving transparency and efficiency.

- **General Manager - Information Technology** | 2015 - 2016

Developed AAI's new web portal, reducing costs by 90% through competitive bidding. Enhanced cybersecurity by implementing advanced Information Security Management Systems (ISMS) across IT infrastructure. Upgraded & operationalized NOCAS-II, streamlining public-facing aviation compliance.

- **Airport Director** – Jaipur, Jodhpur & Nagpur Airports | Airports Authority of India | 2007 – 2015

Transformed three airports into award-winning facilities. Jaipur ranked 15th globally in ACI-ASQ survey; achieved 300% cargo growth; completed major infrastructure upgrades including CAT-III ILS and ADS-B implementation.

### Major Projects & Achievements

- SITC of 20 Radars (₹495 Cr), 34 ILS (₹118 Cr), 21 DVORs (₹44 Cr), 55 DMEs (₹32 Cr).
- Commissioning of ATM Automation & A-SMGCS systems across 5 airports (₹500 Cr).
- Procurement of 219 XBIS, 64 Self Bag Drop, and 470 DFMD systems, improving airport security nationwide.
- Implementation of ATS Message Handling System (AMHS) and Dynamic Database nationwide (₹53 Cr).
- Commissioning of 4 airport terminal projects: Nagpur, Gondia, Akola & Jaisalmer.
- Achieved 100% CAPEX (₹630 Cr) in FY 2022-23 and 801.99 Cr (125%) in FY 2023-24 – highest in AAI history.
