

Executive Profile — Mr. Ramesh Kumar Gupta

Mr. **Ramesh Kumar Gupta** is a **strategic technology leader and transformation specialist** with an outstanding track record of leading mission-critical national ICT programs and governance reforms. Over the course of his career with the Government of India, he has successfully conceptualized, executed, and scaled digital governance initiatives that have set new national benchmarks in public service delivery, legal infrastructure modernization, and citizen-centric innovation.

As the **Strategic Technology Leader**, Mr. Gupta has driven several high-impact projects that align technology with governance priorities—enabling efficient service delivery, transparent processes, and data-driven decision-making.

Strategic Leadership Highlights

- **Led Chandigarh’s Digital Transformation:** Spearheaded the implementation of New Criminal Laws across all pillars of the Criminal Justice System—Police, Prosecution, Judiciary, Prisons, and Forensics—positioning Chandigarh as the *Model City* for nationwide rollout, as per the directive of the Hon’ble Prime Minister of India.
- **National-Level Digital Ecosystem Builder:** Designed and deployed advanced legal tech platforms including *Nyay Setu*, *eSakshya*, *NyayShruti*, and *eSummon*, ensuring end-to-end digital integration across justice delivery systems.
- **Governance Modernization at Scale:** Directed the development of 650+ online citizen-centric services, a unified RTS Portal, GIS-based One Map facility, and a single integrated property platform for Estate, Housing Board, and Municipal Corporation services.
- **Award-Winning Innovation Leader:** Recognized for creating scalable, replicable, and impactful ICT solutions such as *Court Case Monitoring System (CCMS)* and the *Randomized Pollution Inspection App*.
- **Trusted Advisor to Policy Makers:** Worked closely with national leadership to drive technology adoption at scale, aligning governance reforms with India’s digital transformation vision.

Key Recognitions

- 🏆 *Rashtriya Swasthya Bima Yojana (RSBY) Puraskar* — National Award for Excellence.
- 🥈 Silver Medal for exemplary contribution during the *Census of India 2011*.
- 🏆 Felicitated by the Hon’ble Governor of Punjab & Administrator, UT Chandigarh (15th August 2024) for excellence in citizen service delivery.

Strategic Projects Under Execution

- Unified Golden Database for Property (integrated with *e-Naksha*).
- Paperless Tehsil Initiative for hyperlocal digital governance.

- Unified Ease of Doing Business (EODB) Portal for governance and industry synergy.
